* If you are under 18, your parents or legal guardians must sign this declaration. If you are over 18 but unable to sign the declaration yourself due to disability, a duly authorized representative should do so on your behalf.

Conditions

The Rijksmuseum is committed to ensuring that its facilities are accessible for everyone.

1. Why do we ask you to sign this declaration?

By signing this form, a visitor states that he/she is unable to wait in line to enter the museum. We ask visitors wishing to use the fast lane facility to complete this declaration form because it is not always possible or appropriate for staff to assess their eligibility.

2. Validity

This declaration must be completed, signed and shown to the museum staff manning the various queues. The declaration remains valid throughout the period covered by the holder's entrance ticket or subscription.

3. Verification

The use of this declaration is limited to visitors with a disability or other restriction. To prevent misuse, the Rijksmuseum reserves the right to request evidence of that restriction in the form of a document such as the Autipas, a disabled parking permit, or doctor's note.
